

## Microconnect SSTP601R networking cable Red 1 m Cat6 S/FTP (S-STP)

**Brand :** Microconnect

**Product code:** SSTP601R

**Product name :** SSTP601R

CAT6 S/FTP Network Cable 1m, Red

Microconnect SSTP601R networking cable Red 1 m Cat6 S/FTP (S-STP):

CAT6 cables enables a convenient and reliable connection from one network device, such as switch, modem or router, to another or to the infrastructure at large through a patch panel, keystone jack or wall outlet. This cable are also used a lot in small office and home network and entertainment applications. These cables are tested up to 250Mhz (CAT6 standard) and are backwards compatible with CAT5e and CAT5 cables. They are produced with latch protection, which prevents the connector do be damaged when you install the cable through an installation with very less space. Furthermore this cable is manufactured with shielding. This protects against both EMI (electromagnetic interference). EMI can cause crosstalk between circuits, resulting in degradation of data, increased errors and slower transmission rates, but by using this shielded cable you will avoid this problem.

| Features                |                               | Weight & dimensions         |                                                     |
|-------------------------|-------------------------------|-----------------------------|-----------------------------------------------------|
| Product colour *        | Red                           | Outer diameter              | 6 mm                                                |
| Cable length *          | 1 m                           | Weight                      | 40 g                                                |
| Cable standard *        | Cat6                          | <b>Packaging content</b>    |                                                     |
| Cable shielding *       | S/FTP (S-STP)                 | Quantity per pack           | 1 pc(s)                                             |
| Connector 1 gender *    | Male                          | <b>Packaging data</b>       |                                                     |
| Connector 2 gender *    | Male                          | Package width               | 272 mm                                              |
| Jacket material         | Low smoke zero halogen (LSZH) | Package depth               | 160 mm                                              |
| Conductor type          | Stranded                      | Package height              | 36 mm                                               |
| Conductor material      | Copper                        | Package weight              | 50 g                                                |
| AWG wire size           | 28/7                          | <b>Logistics data</b>       |                                                     |
| Data transfer rate      | 10000 Mbit/s                  | Harmonized System (HS) code | 84733080                                            |
| Frequency               | 250 MHz                       | Quantity per box            | 200 pc(s)                                           |
| Sustainability          |                               | <b>Other features</b>       |                                                     |
| Doesn't contain         | Halogen                       | Technical features          | Kink Protection, strain relief and Latch Protection |
| Certificates            |                               |                             |                                                     |
| Compliance certificates | RoHS                          |                             |                                                     |
