

Unold 86116 electric space heater Indoor Black, Silver 2000 W Fan electric space heater

Brand : Unold

Product code: 86116

Product name : 86116

FAN HEATER Rotate 86116

Unold 86116 electric space heater Indoor Black, Silver 2000 W Fan electric space heater:

The Rotate FAN HEATER (protection class II / 1,000 to 2,000 watts) heats easily and quietly in its sturdy plastic housing with a practical, integrated handle. The temperature is continuously regulated by a thermostat and it is easy to operate with the 4-stage switch for off / ventilation / warm air / hot air. The oscillation can be switched on separately - for either very targeted heat or heat distributed with a 75° rotation. In addition to the overheating protection, the tip-over protection with automatic shutdown if it falls over ensures safety.

This product is only suitable for well-insulated rooms or for occasional use.

Features		Packaging content	
Number of speeds	3	Remote control included	✗
